GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURE REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

INTRODUCTION

Foresight Energy LP ("***Foresight***") and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "***Debtors***"), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the "***Schedules***") and Statements of Financial Affairs (the "***Statements***," and together with the Schedules the "***Schedules and Statements***") with the United States Bankruptcy Court for the District of Eastern Missouri (the "***Bankruptcy Court***"), pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "***Bankruptcy Code***"), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***").

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "***Global Notes***") pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors' Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("***GAAP***"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review, potential adjustment, and reflect the Debtors' commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided

herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Mr. Robert D. Moore, the Debtors' President and Chief Executive Officer, has signed each of the Schedules and Statements. Mr. Moore is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Moore necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Moore has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any and all claim descriptions, designations, or Debtor(s) against which the is asserted; (ii) dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority or avoidability of any claim. Any failure to designate a claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such claim or amount is not "disputed," "contingent," or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor against which the claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without limitation, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation or rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Nothing in the Schedules or Statements is intended to, shall be construed as, or shall have the effect of, modifying, changing, or otherwise affecting *the Final Order Authorizing the Debtors to (A) Obtain Post-Petition Financing, (B) Grant Senior Secured Priming Liens and Superpriority Administrative Expense Claims, and (C) Utilize Cash Collateral; (II) Granting Adequate Protection to the Prepetition Secured Parties; (III) Modifying the*

Automatic Stay; and (IV) Scheduling Final Hearing; and (VI) Granting Related Relief [Docket No. pending] (the “**Final DIP Order**”) or any amendments, modifications, or other orders related to the same.

2. **Description of Cases and “As Of” Information Date.** On March 10, 2020 (the “**Petition Date**”), the Debtors each filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases.

On March 11, 2020, the Bankruptcy Court entered the *Order Authorizing Joint Administration of Chapter 11 Cases* [Docket No. 86]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements.

The asset information provided herein represents the asset data of the Debtors as of the close of business on January 31, 2020, except as otherwise noted. The liability information provided herein represents the liability data of the Debtors as of the Petition Date, except as otherwise noted.

3. **Net Book Value of Assets.** Unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of the Petition Date. The book values of certain assets may materially differ from their fair market values. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors’ enterprise value or to determine what a third party might be willing to pay in connection with any asset disposition.

For financial reporting purposes, Foresight prepares consolidated financial statements. These consolidated financial statements are filed with the Securities and Exchange Commission (the “**SEC**”) and are audited annually. Unlike the consolidated financial statements, these Schedules and Statements, except as indicated herein, reflect the assets and liabilities of each Debtor, including intercompany accounts which would be eliminated in Foresight’s consolidated financial statements. Accordingly, combining the assets and claims set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information for Foresight and its respective consolidated subsidiaries that would be prepared under GAAP. Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to reconcile to the financial statements filed by Foresight Peak with the SEC.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets and may differ materially from the actual value and/or performance of the underlying assets. Additionally, because the book values of assets may materially differ from their fair market values, some assets are listed as undetermined amounts as of January 31, 2020. Furthermore, assets that have been fully depreciated or

fully amortized, or were expensed for GAAP accounting purposes, have no net book value and are, therefore, not included in the Schedules and Statements

4. **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make certain estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual results could differ materially from these estimates.
5. **Recharacterization.** Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate
6. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect a complete analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

7. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, employee benefit accruals, tax accruals, asset retirement obligations, and assets with a net book value of zero. For confidentiality reasons, the Debtors have not listed individual customer accounts receivable information. Total accounts receivable information for each Debtor has been listed as of January 31, 2020. In addition, certain immaterial assets and liabilities may have been excluded.
8. **Insiders.** Persons listed as "insiders" have been included for informational purposes only and including them in the Schedules and Statements shall not constitute an admission by the Debtors that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or

she is not an “insider” under applicable law or with respect to any theories of liability or for any other purpose.

9. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
10. **Umbrella Agreements.** Certain contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements of the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
11. **Guarantees.** The Debtors have made reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the “***Guarantees***”) in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guarantees have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guarantees. The Debtors have placed the Guarantees on Schedule H for both the primary obligor and the guarantor of the relevant obligation. It is possible that certain Guarantees embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guarantees are identified or such Guarantees are discovered to have expired or be unenforceable. Additionally, failure to list any Guarantees in the Schedules and Statements, including in any future amendments to the Schedules and Statements, shall not affect the enforceability of any Guarantees not listed.
12. **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
13. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including liability or

classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as “disputed,” “contingent” or “unliquidated.”

14. **Causes of Action.** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “***Causes of Action***”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.
15. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:
 - **Undetermined Amounts.** The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
 - **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
 - **Paid Claims.** The Debtors were authorized to pay certain outstanding prepetition claims pursuant to various orders entered by the Bankruptcy Court. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.
 - **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
16. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
17. **Intercompany Payables and Receivables.** The Debtors routinely engage in intercompany transactions with other Debtor and affiliates. Intercompany receivable

account balances are shown in Schedule A/B and intercompany liabilities are shown in Schedule E/F.

- As described more fully in the *Motion Re: Entry of Interim and Final Orders (A) Authorizing Continued Use of the Debtors' Existing Cash Management System; (B) Authorizing Use of Existing Bank Accounts and Business Forms; (C) Granting a Limited Waiver of Requirements of Section 345(b) of the Bankruptcy Code; (D) Authorizing Continuation of Ordinary Course Intercompany Transactions; (E) Granting Administrative Expense Priority Status to Postpetition Intercompany Claims; and (F) Granting Related Relief* [Docket No. 4] (the “**Cash Management Motion**”), the Debtors use a centralized cash management system to streamline collection, transfer, and disbursement of funds generated by the Debtors’ business operations. Certain receivables are collected by Debtor subsidiaries of Foresight and sent to a concentration account held by Debtor Foresight Energy, LLC. The concentration funds certain other Debtor bank accounts where Payables are paid on behalf of the Debtors in the ordinary course of business. The Debtors record in their books and records any receipts and/or disbursements made on behalf of Debtors as intercompany balances.

The listing by the Debtors of any account between a Debtor and another Debtor is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors reserve all rights to recharacterize, reprioritize, reclassify, recategorize or redesignate intercompany accounts reported in the Schedules and Statements.

18. **Inventories, Property and Equipment.** Inventories consist of materials and supplies and coal inventory. These inventories are valued at the lower of cost or market. Coal inventory costs include labor, supplies, equipment depreciation, depletion of mineral reserves, operating overhead and transportation costs incurred prior to the transfer of title to customers. Property, plant, equipment and mine development are recorded at cost or at fair value at the date of acquisition in the case of acquired businesses. Property, plant, and equipment are aggregated in the Debtors’ books and records and cannot be segregated easily into the categories required by the Schedules and Statements. All inventories, as well as all property and equipment, are presented without consideration of any statutory or consensual liens.
19. **Mineral Right, Land and Land Rights.** The Debtors control an estimated 2.1 billion tons of proven and probable coal reserves located in the Illinois Basin. The aggregate book value of owned and leased coal reserves is \$1.3 billion as of January 31, 2020. The Debtors have not analyzed the current market value of their owned or leased coal reserves. Except where otherwise noted, the Debtors have reported the book value of all owned pieces of real property, including leased coal reserves, in Schedule A/B. Certain unexpired coal reserve leases of the Debtors as of the Petition Date that may constitute executory contracts or unexpired leases within the meaning of section 365 of the Bankruptcy Code are also included in Schedule G, and to the extent that there was an amount outstanding under a coal reserve lease, such as royalties payable, as of the Petition Date, the amount owed to the lessor of the coal reserves has been listed on Schedule E/F.

20. **Other Leases.** The Debtors lease equipment and facilities under various capital and operating lease agreements. These equipment and facilities leases are reported on Schedule G of each applicable Debtor, and to the extent that there was an amount outstanding under any of these leases as of the Petition Date, the amount owed to the applicable lessor has been listed on Schedule E/F of each applicable Debtor.
21. **Effect of “First Day” Orders.** The Bankruptcy Court has authorized the Debtors to pay various outstanding prepetition claims including certain payments to employees, critical vendors, lien holders and taxing authorities. Where the Schedules and Statements list creditors and set forth the Debtors’ scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date, adjusted for any postpetition payments made as of March 29, 2020 on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court. To the extent any further adjustments are necessary for any additional postpetition payments made after March 29, 2020 on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court, such adjustments have not been included in the Schedules and Statements unless otherwise noted on the applicable Schedule or Statement. Estimates of claims set forth in the Schedules and Statements may not reflect assertions by the Debtors’ creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.
22. **Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, pricing discrepancies, returns, warranties, refunds, negotiations and/or disputes between Debtors and their customers regarding regulatory or governmental impositions costs incurred by Debtors, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors’ industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and Statements.
23. **Confidentiality.** There are instances within the Schedules and Statements where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.
24. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS’ SCHEDULES

Schedules Summary. Except as otherwise noted, the asset information provided herein represents the asset data of the Debtors as of January 31, 2020, and liability information provided herein represents the liability data of the Debtors as of the Petition Date.

For financial reporting purposes, the Debtors ordinarily prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

As part of their financial statement due diligence process, the Debtors, from time to time, analyze the book values of their assets to determine, with respect to any of their assets, whether all or part of an asset value would be impaired in accordance with GAAP. The Debtors have recently experienced significant write-offs of book values of certain assets, sometimes reducing book values of such assets to zero, due to the declining coal market in which the Debtors operate. Where book values of assets have been reduced to zero, such assets have not been included in the Schedules.

Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments. Details with respect to the Debtors' cash management system and bank accounts are provided in the Debtors' Cash Management Motion and the final order of the Bankruptcy Court granting the Cash Management Motion [Docket No. 4].

Schedule A/B, Part 9 – Real Property. For those Debtors that own real property, such owned real estate is reported, except where otherwise noted, at book value. The Debtors may have listed certain assets as real property when such assets are in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. Buildings and land improvements are listed on Schedule A/B, Part 9, independent of whether the real property to which the building or land improvement is connected is Debtor-owned property. The Debtors reserve all of their rights to recategorize and/or recharacterize such assets holdings to the extent the Debtors determine that such holdings were improperly listed.

Schedule A/B, Part 11 – All Other Assets. Dollar amounts are presented net of impairments and other adjustments.

In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, credits, rebates, or refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which such Debtor has asserted, or may assert,

claims as a plaintiff or counter-claims and/or cross-claims as defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.

Schedule D – Creditors Who Have Claims Secured by Property. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve their right to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including any intercompany agreement) related to such creditor's claim. In certain circumstances, a Debtor may be a co-obligor or guarantor with respect to the scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in Schedule D and/or the Global Notes shall be deemed a modification or interpretation of the terms of such agreements.

Except as specifically stated herein, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all of their rights, claims and causes of action with respect to claims associated with any contracts and agreements listed on Schedule D or Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including any intercompany agreement) related to a creditor's claim. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

The Debtors have not included on Schedule D parties that may believe such claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

As of the Petition Date, Debtor Foresight Energy LLC was the borrower, and certain of the other Debtors were the guarantors, for a first lien secured revolving credit and a first lien secured term loan (shown on Schedule D).

Debtors Foresight Energy LLC and Foresight Energy Finance Corporation were co-issuers for the second lien bond indentures (shown on Schedule F). In total, first and second lien facilities, totaled approximately \$1.4 billion outstanding as of the Petition Date.

Foresight has requested postpetition financing pursuant to the *Cash Collateral Motion (I) Authorizing the Debtors to (A) Obtain Post-Petition Financing, (B) Grant Senior Secured Priming Liens and Superpriority Administrative Expense Claims, and (C) Utilize Cash Collateral; (II) Granting Adequate Protection to the Prepetition Secured Parties; (III) Modifying the*

Automatic Stay; and (IV) Scheduling Final Hearing; and (VI) Granting Related Relief [Docket No. 29] (Interim and Final Orders are pending) consisting of a loan facility in the aggregate principal amount of approximately \$175 million, including the prepetition \$75 million in loan rollup of the first lien revolving credit facility (the “**DIP Facility**”). All of the other Debtors guarantee Foresight’s obligations under the DIP Facility.

The claim amount listed for both secured and unsecured notes in Schedule D, and in Schedule E/F, includes principal and interest as of the Petition Date.

Schedule E/F, Part 1 – Creditors With Priority Unsecured Claims. Pursuant to the *Final Order (A) Authorizing the Payment of Prepetition Taxes and Fees and (B) Granting Related Relief* [Docket No. 246] (the “**Final Taxes Order**”), the Debtors have been granted the authority to pay certain tax liabilities that accrued prepetition. Accordingly, any priority unsecured claim based upon prepetition tax accruals that have been paid pursuant to the Final Taxes Order are not listed on Schedule E/F. Certain of the tax claims may be subject to on-going audits, and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the tax claims listed on Schedule E/F. Therefore, the Debtors have listed all such claims as undetermined in amount, pending final resolution of on-going audits or outstanding issues.

The Debtors believe that all of the employee claims entitled to priority under the Bankruptcy Code were or will be paid pursuant to the *Interim Order (A) Authorizing the Debtors to Pay Prepetition Wages and Workforce Obligations, (B) Authorizing Debtors to Maintain Workforce Programs and Pay Related Obligations, and (C) Granting Related Relief* [Docket No. 88]. Accordingly, no employee-related claims by and against the Debtors for prepetition amounts due have been included in Schedule E/F.

The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status.

Schedule E/F, Part 2 – Creditors With Non-Priority Unsecured Claims. The Debtors have made reasonable efforts to report all general unsecured claims against the Debtors on Schedule E/F, Part 2 based upon the Debtors’ existing books and records. The claims of individual creditors for among other things, products, goods, or services are listed as either the lower of the amounts invoiced by the creditor or the amounts entered on the Debtors’ books and records, and may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all rights with respect to any such credits and allowances including the right to assert claims objections and/or setoffs. The claims listed on Schedule E/F, Part 2, arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for every claim listed on Schedule E/F.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease.

In addition, Schedule E/F, Part 2, does not include all claims that may arise in connection with the rejection of any executory contracts and unexpired leases that may be or have been rejected.

Schedule E/F, Part 2, does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they are reflected on the Debtors' books and records as required in accordance with GAAP.

Schedule E/F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is subject of the litigation is uncertain or undetermined. Where the named defendant is "Foresight" plus "et al.," the Debtors have listed such claim on Schedule E/F of Foresight. However, to the extent that litigation involving a particular Debtor has been identified, information regarding that litigation is contained in Schedule E/F for that Debtor. The amounts for these potential claims are listed as "undetermined" and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule G – Executory Contracts and Unexpired Leases. The businesses of the Debtors are complex. Although the Debtors' existing books, records, financial systems, and contracts management systems have been relied upon to identify and schedule executory contracts for each of the Debtors and reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement such Schedule, as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels, certificates, letters, memoranda and other documents, instruments and agreements that may not be listed on Schedule G, despite the Debtors' use of reasonable efforts to identify such documents. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not separately set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease.

The Debtors have included only contracts and agreements to which a Debtor is a party. Schedule G does not include contracts or agreements in which payments to third parties were made on any of the Debtors' behalf for administrative convenience or as a result of the Debtors' cash management system. The Debtors have included certain interests in real property such as easements, rights of way, and other similar interests on Schedule G. The listing of such real property interests on Schedule G as "executory" does not constitute an admission by a Debtor that any such contract is executory. The Debtors reserve all rights to recategorize and/or recharacterize their interests in such real property at a later date, as necessary. Although not required, because leased coal reserves represent such a significant asset of the Debtors, the Debtors have also included the book value of

leased coal reserves in Schedule A/B. The Debtors are continuing their review of all relevant documents and expressly reserve their right to amend all Schedules at a later time as necessary and/or to challenge the classification of any agreement as an executory contract or unexpired lease in any appropriate filing. The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor's claim.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In such cases, the Debtors made their best efforts to determine the correct Debtors' Schedule G on which to list such executory contract or unexpired lease. Certain of the executory contracts may not have been memorialized and could be subject to dispute. Each unexpired lease listed in Schedule G may include one or more ancillary documents, including but not limited to any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Executory contracts that are oral in nature, if any, have not been included on Schedule G. Schedule G does not constitute an admission that any such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

Schedule H – Co-Debtors. In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross claims and counter-claims against other parties. Due to the volume of such claims, and because all such claims are contingent, unliquidated, and disputed, and listed elsewhere in the Schedules and Statements, such claims have not been set forth individually on Schedule H.

Schedule H reflects Guarantees, if any, by various Debtors of obligations of related affiliates. The Debtors may not have identified certain Guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Certain of the Guarantees reflected on Schedule H, if any, may have expired or no longer be enforceable. Thus, the Debtors reserve their rights to amend Schedule H to the extent that additional Guarantees are identified or such Guarantees are discovered to have expired or are unenforceable, or to contest the validity or enforceability of the Guarantees in another filing.

Claims of Third-Party Related Entities. Although the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to both such entity and its affiliates. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such

creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' STATEMENTS

Statements Summary. As part of their financial statement due diligence process, the Debtors, from time to time, analyze the book values of their assets to determine, with respect to any of their assets, whether all or part of an asset value would be impaired in accordance with GAAP. The Debtors have recently experienced significant write-offs of book values of certain assets, sometimes reducing book values of such assets to zero, due to the declining coal market in which the Debtors operate. Where book values of assets have been reduced to zero, such assets have not been included in these Statements.

Statements, Part 1, Question 1 – Gross Revenue From Business. The amount shown for year-to date 2020 is for the period January 1, 2020 to February 29, 2020. Revenue from business for 2019 and 2018 is for the period of January 1 to December 31 of each year.

Statements, Part 1, Question 2 – Non-Business Revenue. The Debtors record a non-material amount of certain transactions as other income in their financial records. Such transactions have been included in the response to Statements, Part 1, Question 2. These transactions are not directly related to the sale of coal at the Debtors' mines, but are related to transloading fees, lease income from affiliates, and royalty income from affiliates.

The amount shown for year-to-date 2020 includes non-business revenue for the period of January 1, 2020 to February 29, 2020. Non-business revenue for 2019 and 2018 is for the period of January 1 to December 31 of each year.

Statements, Part 2, Question 3 – Payments and Transfers to Certain Creditors Within 90 Days. The dates set forth in the "Dates" column relate to one of the following: (a) the date of a wire transfer; (b) the date of an "ACH" payment; or (c) the check date. In general, disbursements are made through Foresight bank accounts and recorded to the proper entity with the liability through intercompany journal entries. For the purpose of this schedule, all of these payments are shown at the proper Debtor unless otherwise noted in the response of a particular Debtor's Statements, Part 2, Question 3. In addition to the payments disclosed in response to this Question, the Debtors periodically replenish "petty cash" working accounts held locally by some entities. Disbursements from these working accounts, held by various Debtors, to third party payees are included in this Question but the intercompany replenishment transactions are not. Payments to the Debtors' insiders, bankruptcy professionals, and intercompany transactions are not included in this Statements, Part 2, Question 3.

Additionally, creditors with aggregate 90-day payments below \$6,825 are not included in Part 2, Question 3 (11 U.S.C. § 547(c)(9)).

Statements, Part 2, Question 4 – Payments to Insiders. For a discussion of insiders of the Debtors, refer to paragraph 8 of these Global Notes.

The Debtors are party to a Management Services Agreement with Murray American Coal, Inc., (“**Murray**”) under which Murray provides the Debtors with a broad array of management and selling and general administrative services. The Debtors pay a flat quarterly fee in exchange for these services. As a result, the employees who would normally be considered as insiders are employed and paid by Murray. The Debtors have no insider employees. The Debtors did make payments to the members of their Board of Directors during the one-year period which are included in this Statements, Part 2, Question 4.

In addition to payments made to the Debtors’ Board of Directors, the Debtors made payments to affiliated companies that have either direct or indirect ownership in certain of the Debtors. These affiliated companies fall into two groups, Murray and Foresight Reserves LP (the “**Cline Group**”). Payments made to the Murray and to the Cline Group controlled companies during the one-year period are included in this Statements, Part 2, Question 4.

The payments to “insiders” listed in Statements, Part 2, Question 4 were made by certain Debtors. These payments were not allocated among the subsidiary Debtors, so the list of total payments to each insider is shown for all Debtors.

Statements, Part 2, Question 5 – Repossessions, Foreclosures and Returns. The Debtors routinely return damaged, unsatisfactory or out-of-specification raw materials and other goods to vendors in the ordinary course of business. These ordinary course returns have not been listed in this Statements, Part 2, Question 5.

Statements, Part 2, Question 6 – Setoffs. For a discussion of setoffs incurred by the Debtors, refer to paragraph 22 of these Global Notes.

Statements, Part 3 – Legal Actions or Assignments. There may be pending litigation matters that are believed to have potential recoveries. The actual amount of these litigation matters is contingent on the outcome of the cases. The Debtors routinely participate in administrative actions and appeals with state agencies regarding permits in the ordinary course of their business and they have identified those administrative actions that were pending within one year of the Petition Date.

Statements, Part 5 – Certain Losses. Any claims for losses that do not exceed the various deductible amounts for certain casualty insurance policies maintained by the Debtors have been excluded from Statements, Part 5.

Statements Part 6 – Certain Payments or Transfers. The Debtors make *de minimis* sales to third parties for such items including, but not limited to, scrap steel, obsolete parts and supplies, and surplus inventory and equipment. These *de minimis* sales are not included in this Statements, Part 6.

Statements, Part 10 – Off-Premises Storage. The Debtors routinely store parts and supplies inventory as well as parts that are in the process of being repaired on the premises of third-party vendors. Due to insufficient records some of these parts and supplies may not be included in Statements, Part 10.

Statements, Part 11 – Property Held for Another. The Debtors withhold or retain certain funds from employees for payment to certain governmental authorities. These funds are held in trust for turnover to the applicable governmental authority. Given that the Debtors do not retain control of such funds and such funds are not considered property of the Debtors’ estates, amounts of such funds have not been listed under Statements, Part 11.

In the ordinary course of business, Foresight enters into consignment agreements (the “*Consignment Agreements*”) on behalf of certain of the Debtors with some of their vendors. Under the Consignment Agreements, the Debtors take possession but not title to various materials and supplies, including parts and components of various mining and mining-related equipment (the “*Consigned Assets*”). Title to the Consigned Assets does not transfer to the Debtors, and the Debtors are not obligated to pay for the Consigned Assets until the Consigned Assets are placed in service. Consigned Assets have been listed in Statements, Part 11.

Statements, Part 12, Questions 22-24 – Details About Environmental Information. The Debtors historically have operated over a substantial period of time in several locations across Illinois and Ohio. At some locations, the Debtors no longer have any active operations and may no longer have relevant records or the records may no longer be complete or reasonably accessible or reviewable. In some cases, statutory document retention periods have passed. Further, some individuals who once possessed responsive information are no longer employed by the Debtors. For all these reasons, it may not be possible to identify and supply the requested information that is responsive to Statements, Part 12, Questions 22-24. The Debtors have devoted substantial internal and external resources to identifying and providing the requested information that is responsive for as many sites and proceedings as reasonably possible.

This response does not include sites or proceedings related to non-environmental laws such as occupational safety and health laws or transportation laws. The Debtors are legally required to make routine reports and submissions to regulatory agencies concerning discharges resulting from normal operations consistent with regulatory requirements, such as discharge monitoring reports, toxic release inventory submissions and submissions concerning air emissions. This response in this Statement is limited to identifying circumstances in which governmental agencies have alleged in writing that particular operations of the Debtors are in violation of environmental laws and proceedings that have resulted from alleged violations of environmental laws.

Statements Part 13, Question 26 – Books, Records and Financial Statements. Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, Foresight and its subsidiaries have filed with the SEC reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information. Because the SEC filings are of public record, Foresight does not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or Foresight. In addition, Foresight provides certain parties, such as banks, auditors, potential investors, vendors and financial advisors financial statements that may not be part of a public filing. Foresight does not maintain complete lists to track such disclosures. As such, Foresight has not provided lists of these parties in response to Statements Part 13, Question 26c and Question 26d.

Statements Part 13, Question 27 – Inventories. The Debtors' policy concerning the counts of parts and supplies inventory does not include regular periodic counts of the entire inventory, and the last complete count of the entire inventory occurred in December 2019. Instead, cycle counts of portions of inventory are continuously taken. Thus, information concerning parts and supplies inventory counts are not included in the response to Statements Part 13, Question 27.

Statements Part 13, Question 30 – Payments, Distributions or Withdrawals to Insiders. The response to Statements Part 13, Question 30 incorporates by reference items listed in the response to Statements Part 2, Question 4.

GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURE REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

INTRODUCTION

Foresight Energy LP ("***Foresight***") and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "***Debtors***"), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the "***Schedules***") and Statements of Financial Affairs (the "***Statements***," and together with the Schedules the "***Schedules and Statements***") with the United States Bankruptcy Court for the District of Eastern Missouri (the "***Bankruptcy Court***"), pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "***Bankruptcy Code***"), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***").

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "***Global Notes***") pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors' Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("***GAAP***"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review, potential adjustment, and reflect the Debtors' commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided

herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Mr. Robert D. Moore, the Debtors' President and Chief Executive Officer, has signed each of the Schedules and Statements. Mr. Moore is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Moore necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Moore has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any and all claim descriptions, designations, or Debtor(s) against which the is asserted; (ii) dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority or avoidability of any claim. Any failure to designate a claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such claim or amount is not "disputed," "contingent," or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor against which the claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without limitation, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation or rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Nothing in the Schedules or Statements is intended to, shall be construed as, or shall have the effect of, modifying, changing, or otherwise affecting *the Final Order Authorizing the Debtors to (A) Obtain Post-Petition Financing, (B) Grant Senior Secured Priming Liens and Superpriority Administrative Expense Claims, and (C) Utilize Cash Collateral; (II) Granting Adequate Protection to the Prepetition Secured Parties; (III) Modifying the*

Automatic Stay; and (IV) Scheduling Final Hearing; and (VI) Granting Related Relief [Docket No. pending] (the “**Final DIP Order**”) or any amendments, modifications, or other orders related to the same.

2. **Description of Cases and “As Of” Information Date.** On March 10, 2020 (the “**Petition Date**”), the Debtors each filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases.

On March 11, 2020, the Bankruptcy Court entered the *Order Authorizing Joint Administration of Chapter 11 Cases* [Docket No. 86]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements.

The asset information provided herein represents the asset data of the Debtors as of the close of business on January 31, 2020, except as otherwise noted. The liability information provided herein represents the liability data of the Debtors as of the Petition Date, except as otherwise noted.

3. **Net Book Value of Assets.** Unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of the Petition Date. The book values of certain assets may materially differ from their fair market values. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors’ enterprise value or to determine what a third party might be willing to pay in connection with any asset disposition.

For financial reporting purposes, Foresight prepares consolidated financial statements. These consolidated financial statements are filed with the Securities and Exchange Commission (the “**SEC**”) and are audited annually. Unlike the consolidated financial statements, these Schedules and Statements, except as indicated herein, reflect the assets and liabilities of each Debtor, including intercompany accounts which would be eliminated in Foresight’s consolidated financial statements. Accordingly, combining the assets and claims set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information for Foresight and its respective consolidated subsidiaries that would be prepared under GAAP. Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to reconcile to the financial statements filed by Foresight Peak with the SEC.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets and may differ materially from the actual value and/or performance of the underlying assets. Additionally, because the book values of assets may materially differ from their fair market values, some assets are listed as undetermined amounts as of January 31, 2020. Furthermore, assets that have been fully depreciated or

fully amortized, or were expensed for GAAP accounting purposes, have no net book value and are, therefore, not included in the Schedules and Statements

4. **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make certain estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual results could differ materially from these estimates.
5. **Recharacterization.** Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate
6. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect a complete analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

7. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, employee benefit accruals, tax accruals, asset retirement obligations, and assets with a net book value of zero. For confidentiality reasons, the Debtors have not listed individual customer accounts receivable information. Total accounts receivable information for each Debtor has been listed as of January 31, 2020. In addition, certain immaterial assets and liabilities may have been excluded.
8. **Insiders.** Persons listed as "insiders" have been included for informational purposes only and including them in the Schedules and Statements shall not constitute an admission by the Debtors that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or

she is not an “insider” under applicable law or with respect to any theories of liability or for any other purpose.

9. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
10. **Umbrella Agreements.** Certain contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements of the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
11. **Guarantees.** The Debtors have made reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the “***Guarantees***”) in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guarantees have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guarantees. The Debtors have placed the Guarantees on Schedule H for both the primary obligor and the guarantor of the relevant obligation. It is possible that certain Guarantees embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guarantees are identified or such Guarantees are discovered to have expired or be unenforceable. Additionally, failure to list any Guarantees in the Schedules and Statements, including in any future amendments to the Schedules and Statements, shall not affect the enforceability of any Guarantees not listed.
12. **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
13. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including liability or

classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as “disputed,” “contingent” or “unliquidated.”

14. **Causes of Action.** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “***Causes of Action***”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.
15. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:
 - **Undetermined Amounts.** The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
 - **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
 - **Paid Claims.** The Debtors were authorized to pay certain outstanding prepetition claims pursuant to various orders entered by the Bankruptcy Court. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.
 - **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
16. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
17. **Intercompany Payables and Receivables.** The Debtors routinely engage in intercompany transactions with other Debtor and affiliates. Intercompany receivable

account balances are shown in Schedule A/B and intercompany liabilities are shown in Schedule E/F.

- As described more fully in the *Motion Re: Entry of Interim and Final Orders (A) Authorizing Continued Use of the Debtors' Existing Cash Management System; (B) Authorizing Use of Existing Bank Accounts and Business Forms; (C) Granting a Limited Waiver of Requirements of Section 345(b) of the Bankruptcy Code; (D) Authorizing Continuation of Ordinary Course Intercompany Transactions; (E) Granting Administrative Expense Priority Status to Postpetition Intercompany Claims; and (F) Granting Related Relief* [Docket No. 4] (the “**Cash Management Motion**”), the Debtors use a centralized cash management system to streamline collection, transfer, and disbursement of funds generated by the Debtors’ business operations. Certain receivables are collected by Debtor subsidiaries of Foresight and sent to a concentration account held by Debtor Foresight Energy, LLC. The concentration funds certain other Debtor bank accounts where Payables are paid on behalf of the Debtors in the ordinary course of business. The Debtors record in their books and records any receipts and/or disbursements made on behalf of Debtors as intercompany balances.

The listing by the Debtors of any account between a Debtor and another Debtor is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors reserve all rights to recharacterize, reprioritize, reclassify, recategorize or redesignate intercompany accounts reported in the Schedules and Statements.

18. **Inventories, Property and Equipment.** Inventories consist of materials and supplies and coal inventory. These inventories are valued at the lower of cost or market. Coal inventory costs include labor, supplies, equipment depreciation, depletion of mineral reserves, operating overhead and transportation costs incurred prior to the transfer of title to customers. Property, plant, equipment and mine development are recorded at cost or at fair value at the date of acquisition in the case of acquired businesses. Property, plant, and equipment are aggregated in the Debtors’ books and records and cannot be segregated easily into the categories required by the Schedules and Statements. All inventories, as well as all property and equipment, are presented without consideration of any statutory or consensual liens.
19. **Mineral Right, Land and Land Rights.** The Debtors control an estimated 2.1 billion tons of proven and probable coal reserves located in the Illinois Basin. The aggregate book value of owned and leased coal reserves is \$1.3 billion as of January 31, 2020. The Debtors have not analyzed the current market value of their owned or leased coal reserves. Except where otherwise noted, the Debtors have reported the book value of all owned pieces of real property, including leased coal reserves, in Schedule A/B. Certain unexpired coal reserve leases of the Debtors as of the Petition Date that may constitute executory contracts or unexpired leases within the meaning of section 365 of the Bankruptcy Code are also included in Schedule G, and to the extent that there was an amount outstanding under a coal reserve lease, such as royalties payable, as of the Petition Date, the amount owed to the lessor of the coal reserves has been listed on Schedule E/F.

20. **Other Leases.** The Debtors lease equipment and facilities under various capital and operating lease agreements. These equipment and facilities leases are reported on Schedule G of each applicable Debtor, and to the extent that there was an amount outstanding under any of these leases as of the Petition Date, the amount owed to the applicable lessor has been listed on Schedule E/F of each applicable Debtor.
21. **Effect of “First Day” Orders.** The Bankruptcy Court has authorized the Debtors to pay various outstanding prepetition claims including certain payments to employees, critical vendors, lien holders and taxing authorities. Where the Schedules and Statements list creditors and set forth the Debtors’ scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date, adjusted for any postpetition payments made as of March 29, 2020 on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court. To the extent any further adjustments are necessary for any additional postpetition payments made after March 29, 2020 on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court, such adjustments have not been included in the Schedules and Statements unless otherwise noted on the applicable Schedule or Statement. Estimates of claims set forth in the Schedules and Statements may not reflect assertions by the Debtors’ creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.
22. **Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, pricing discrepancies, returns, warranties, refunds, negotiations and/or disputes between Debtors and their customers regarding regulatory or governmental impositions costs incurred by Debtors, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors’ industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and Statements.
23. **Confidentiality.** There are instances within the Schedules and Statements where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.
24. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS’ SCHEDULES

Schedules Summary. Except as otherwise noted, the asset information provided herein represents the asset data of the Debtors as of January 31, 2020, and liability information provided herein represents the liability data of the Debtors as of the Petition Date.

For financial reporting purposes, the Debtors ordinarily prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

As part of their financial statement due diligence process, the Debtors, from time to time, analyze the book values of their assets to determine, with respect to any of their assets, whether all or part of an asset value would be impaired in accordance with GAAP. The Debtors have recently experienced significant write-offs of book values of certain assets, sometimes reducing book values of such assets to zero, due to the declining coal market in which the Debtors operate. Where book values of assets have been reduced to zero, such assets have not been included in the Schedules.

Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments. Details with respect to the Debtors' cash management system and bank accounts are provided in the Debtors' Cash Management Motion and the final order of the Bankruptcy Court granting the Cash Management Motion [Docket No. 4].

Schedule A/B, Part 9 – Real Property. For those Debtors that own real property, such owned real estate is reported, except where otherwise noted, at book value. The Debtors may have listed certain assets as real property when such assets are in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. Buildings and land improvements are listed on Schedule A/B, Part 9, independent of whether the real property to which the building or land improvement is connected is Debtor-owned property. The Debtors reserve all of their rights to recategorize and/or recharacterize such assets holdings to the extent the Debtors determine that such holdings were improperly listed.

Schedule A/B, Part 11 – All Other Assets. Dollar amounts are presented net of impairments and other adjustments.

In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, credits, rebates, or refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which such Debtor has asserted, or may assert,

claims as a plaintiff or counter-claims and/or cross-claims as defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.

Schedule D – Creditors Who Have Claims Secured by Property. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve their right to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including any intercompany agreement) related to such creditor's claim. In certain circumstances, a Debtor may be a co-obligor or guarantor with respect to the scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in Schedule D and/or the Global Notes shall be deemed a modification or interpretation of the terms of such agreements.

Except as specifically stated herein, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all of their rights, claims and causes of action with respect to claims associated with any contracts and agreements listed on Schedule D or Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including any intercompany agreement) related to a creditor's claim. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

The Debtors have not included on Schedule D parties that may believe such claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

As of the Petition Date, Debtor Foresight Energy LLC was the borrower, and certain of the other Debtors were the guarantors, for a first lien secured revolving credit and a first lien secured term loan (shown on Schedule D).

Debtors Foresight Energy LLC and Foresight Energy Finance Corporation were co-issuers for the second lien bond indentures (shown on Schedule F). In total, first and second lien facilities, totaled approximately \$1.4 billion outstanding as of the Petition Date.

Foresight has requested postpetition financing pursuant to the *Cash Collateral Motion (I) Authorizing the Debtors to (A) Obtain Post-Petition Financing, (B) Grant Senior Secured Priming Liens and Superpriority Administrative Expense Claims, and (C) Utilize Cash Collateral; (II) Granting Adequate Protection to the Prepetition Secured Parties; (III) Modifying the*

Automatic Stay; and (IV) Scheduling Final Hearing; and (VI) Granting Related Relief [Docket No. 29] (Interim and Final Orders are pending) consisting of a loan facility in the aggregate principal amount of approximately \$175 million, including the prepetition \$75 million in loan rollup of the first lien revolving credit facility (the “**DIP Facility**”). All of the other Debtors guarantee Foresight’s obligations under the DIP Facility.

The claim amount listed for both secured and unsecured notes in Schedule D, and in Schedule E/F, includes principal and interest as of the Petition Date.

Schedule E/F, Part 1 – Creditors With Priority Unsecured Claims. Pursuant to the *Final Order (A) Authorizing the Payment of Prepetition Taxes and Fees and (B) Granting Related Relief* [Docket No. 246] (the “**Final Taxes Order**”), the Debtors have been granted the authority to pay certain tax liabilities that accrued prepetition. Accordingly, any priority unsecured claim based upon prepetition tax accruals that have been paid pursuant to the Final Taxes Order are not listed on Schedule E/F. Certain of the tax claims may be subject to on-going audits, and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the tax claims listed on Schedule E/F. Therefore, the Debtors have listed all such claims as undetermined in amount, pending final resolution of on-going audits or outstanding issues.

The Debtors believe that all of the employee claims entitled to priority under the Bankruptcy Code were or will be paid pursuant to the *Interim Order (A) Authorizing the Debtors to Pay Prepetition Wages and Workforce Obligations, (B) Authorizing Debtors to Maintain Workforce Programs and Pay Related Obligations, and (C) Granting Related Relief* [Docket No. 88]. Accordingly, no employee-related claims by and against the Debtors for prepetition amounts due have been included in Schedule E/F.

The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status.

Schedule E/F, Part 2 – Creditors With Non-Priority Unsecured Claims. The Debtors have made reasonable efforts to report all general unsecured claims against the Debtors on Schedule E/F, Part 2 based upon the Debtors’ existing books and records. The claims of individual creditors for among other things, products, goods, or services are listed as either the lower of the amounts invoiced by the creditor or the amounts entered on the Debtors’ books and records, and may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all rights with respect to any such credits and allowances including the right to assert claims objections and/or setoffs. The claims listed on Schedule E/F, Part 2, arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for every claim listed on Schedule E/F.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease.

In addition, Schedule E/F, Part 2, does not include all claims that may arise in connection with the rejection of any executory contracts and unexpired leases that may be or have been rejected.

Schedule E/F, Part 2, does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they are reflected on the Debtors' books and records as required in accordance with GAAP.

Schedule E/F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is subject of the litigation is uncertain or undetermined. Where the named defendant is "Foresight" plus "et al.," the Debtors have listed such claim on Schedule E/F of Foresight. However, to the extent that litigation involving a particular Debtor has been identified, information regarding that litigation is contained in Schedule E/F for that Debtor. The amounts for these potential claims are listed as "undetermined" and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule G – Executory Contracts and Unexpired Leases. The businesses of the Debtors are complex. Although the Debtors' existing books, records, financial systems, and contracts management systems have been relied upon to identify and schedule executory contracts for each of the Debtors and reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement such Schedule, as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels, certificates, letters, memoranda and other documents, instruments and agreements that may not be listed on Schedule G, despite the Debtors' use of reasonable efforts to identify such documents. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not separately set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease.

The Debtors have included only contracts and agreements to which a Debtor is a party. Schedule G does not include contracts or agreements in which payments to third parties were made on any of the Debtors' behalf for administrative convenience or as a result of the Debtors' cash management system. The Debtors have included certain interests in real property such as easements, rights of way, and other similar interests on Schedule G. The listing of such real property interests on Schedule G as "executory" does not constitute an admission by a Debtor that any such contract is executory. The Debtors reserve all rights to recategorize and/or recharacterize their interests in such real property at a later date, as necessary. Although not required, because leased coal reserves represent such a significant asset of the Debtors, the Debtors have also included the book value of

leased coal reserves in Schedule A/B. The Debtors are continuing their review of all relevant documents and expressly reserve their right to amend all Schedules at a later time as necessary and/or to challenge the classification of any agreement as an executory contract or unexpired lease in any appropriate filing. The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor's claim.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In such cases, the Debtors made their best efforts to determine the correct Debtors' Schedule G on which to list such executory contract or unexpired lease. Certain of the executory contracts may not have been memorialized and could be subject to dispute. Each unexpired lease listed in Schedule G may include one or more ancillary documents, including but not limited to any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Executory contracts that are oral in nature, if any, have not been included on Schedule G. Schedule G does not constitute an admission that any such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

Schedule H – Co-Debtors. In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross claims and counter-claims against other parties. Due to the volume of such claims, and because all such claims are contingent, unliquidated, and disputed, and listed elsewhere in the Schedules and Statements, such claims have not been set forth individually on Schedule H.

Schedule H reflects Guarantees, if any, by various Debtors of obligations of related affiliates. The Debtors may not have identified certain Guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Certain of the Guarantees reflected on Schedule H, if any, may have expired or no longer be enforceable. Thus, the Debtors reserve their rights to amend Schedule H to the extent that additional Guarantees are identified or such Guarantees are discovered to have expired or are unenforceable, or to contest the validity or enforceability of the Guarantees in another filing.

Claims of Third-Party Related Entities. Although the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to both such entity and its affiliates. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such

creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' STATEMENTS

Statements Summary. As part of their financial statement due diligence process, the Debtors, from time to time, analyze the book values of their assets to determine, with respect to any of their assets, whether all or part of an asset value would be impaired in accordance with GAAP. The Debtors have recently experienced significant write-offs of book values of certain assets, sometimes reducing book values of such assets to zero, due to the declining coal market in which the Debtors operate. Where book values of assets have been reduced to zero, such assets have not been included in these Statements.

Statements, Part 1, Question 1 – Gross Revenue From Business. The amount shown for year-to date 2020 is for the period January 1, 2020 to February 29, 2020. Revenue from business for 2019 and 2018 is for the period of January 1 to December 31 of each year.

Statements, Part 1, Question 2 – Non-Business Revenue. The Debtors record a non-material amount of certain transactions as other income in their financial records. Such transactions have been included in the response to Statements, Part 1, Question 2. These transactions are not directly related to the sale of coal at the Debtors' mines, but are related to transloading fees, lease income from affiliates, and royalty income from affiliates.

The amount shown for year-to-date 2020 includes non-business revenue for the period of January 1, 2020 to February 29, 2020. Non-business revenue for 2019 and 2018 is for the period of January 1 to December 31 of each year.

Statements, Part 2, Question 3 – Payments and Transfers to Certain Creditors Within 90 Days. The dates set forth in the "Dates" column relate to one of the following: (a) the date of a wire transfer; (b) the date of an "ACH" payment; or (c) the check date. In general, disbursements are made through Foresight bank accounts and recorded to the proper entity with the liability through intercompany journal entries. For the purpose of this schedule, all of these payments are shown at the proper Debtor unless otherwise noted in the response of a particular Debtor's Statements, Part 2, Question 3. In addition to the payments disclosed in response to this Question, the Debtors periodically replenish "petty cash" working accounts held locally by some entities. Disbursements from these working accounts, held by various Debtors, to third party payees are included in this Question but the intercompany replenishment transactions are not. Payments to the Debtors' insiders, bankruptcy professionals, and intercompany transactions are not included in this Statements, Part 2, Question 3.

Additionally, creditors with aggregate 90-day payments below \$6,825 are not included in Part 2, Question 3 (11 U.S.C. § 547(c)(9)).

Statements, Part 2, Question 4 – Payments to Insiders. For a discussion of insiders of the Debtors, refer to paragraph 8 of these Global Notes.

The Debtors are party to a Management Services Agreement with Murray American Coal, Inc., (“**Murray**”) under which Murray provides the Debtors with a broad array of management and selling and general administrative services. The Debtors pay a flat quarterly fee in exchange for these services. As a result, the employees who would normally be considered as insiders are employed and paid by Murray. The Debtors have no insider employees. The Debtors did make payments to the members of their Board of Directors during the one-year period which are included in this Statements, Part 2, Question 4.

In addition to payments made to the Debtors’ Board of Directors, the Debtors made payments to affiliated companies that have either direct or indirect ownership in certain of the Debtors. These affiliated companies fall into two groups, Murray and Foresight Reserves LP (the “**Cline Group**”). Payments made to the Murray and to the Cline Group controlled companies during the one-year period are included in this Statements, Part 2, Question 4.

The payments to “insiders” listed in Statements, Part 2, Question 4 were made by certain Debtors. These payments were not allocated among the subsidiary Debtors, so the list of total payments to each insider is shown for all Debtors.

Statements, Part 2, Question 5 – Repossessions, Foreclosures and Returns. The Debtors routinely return damaged, unsatisfactory or out-of-specification raw materials and other goods to vendors in the ordinary course of business. These ordinary course returns have not been listed in this Statements, Part 2, Question 5.

Statements, Part 2, Question 6 – Setoffs. For a discussion of setoffs incurred by the Debtors, refer to paragraph 22 of these Global Notes.

Statements, Part 3 – Legal Actions or Assignments. There may be pending litigation matters that are believed to have potential recoveries. The actual amount of these litigation matters is contingent on the outcome of the cases. The Debtors routinely participate in administrative actions and appeals with state agencies regarding permits in the ordinary course of their business and they have identified those administrative actions that were pending within one year of the Petition Date.

Statements, Part 5 – Certain Losses. Any claims for losses that do not exceed the various deductible amounts for certain casualty insurance policies maintained by the Debtors have been excluded from Statements, Part 5.

Statements Part 6 – Certain Payments or Transfers. The Debtors make *de minimis* sales to third parties for such items including, but not limited to, scrap steel, obsolete parts and supplies, and surplus inventory and equipment. These *de minimis* sales are not included in this Statements, Part 6.

Statements, Part 10 – Off-Premises Storage. The Debtors routinely store parts and supplies inventory as well as parts that are in the process of being repaired on the premises of third-party vendors. Due to insufficient records some of these parts and supplies may not be included in Statements, Part 10.

Statements, Part 11 – Property Held for Another. The Debtors withhold or retain certain funds from employees for payment to certain governmental authorities. These funds are held in trust for turnover to the applicable governmental authority. Given that the Debtors do not retain control of such funds and such funds are not considered property of the Debtors’ estates, amounts of such funds have not been listed under Statements, Part 11.

In the ordinary course of business, Foresight enters into consignment agreements (the “*Consignment Agreements*”) on behalf of certain of the Debtors with some of their vendors. Under the Consignment Agreements, the Debtors take possession but not title to various materials and supplies, including parts and components of various mining and mining-related equipment (the “*Consigned Assets*”). Title to the Consigned Assets does not transfer to the Debtors, and the Debtors are not obligated to pay for the Consigned Assets until the Consigned Assets are placed in service. Consigned Assets have been listed in Statements, Part 11.

Statements, Part 12, Questions 22-24 – Details About Environmental Information. The Debtors historically have operated over a substantial period of time in several locations across Illinois and Ohio. At some locations, the Debtors no longer have any active operations and may no longer have relevant records or the records may no longer be complete or reasonably accessible or reviewable. In some cases, statutory document retention periods have passed. Further, some individuals who once possessed responsive information are no longer employed by the Debtors. For all these reasons, it may not be possible to identify and supply the requested information that is responsive to Statements, Part 12, Questions 22-24. The Debtors have devoted substantial internal and external resources to identifying and providing the requested information that is responsive for as many sites and proceedings as reasonably possible.

This response does not include sites or proceedings related to non-environmental laws such as occupational safety and health laws or transportation laws. The Debtors are legally required to make routine reports and submissions to regulatory agencies concerning discharges resulting from normal operations consistent with regulatory requirements, such as discharge monitoring reports, toxic release inventory submissions and submissions concerning air emissions. This response in this Statement is limited to identifying circumstances in which governmental agencies have alleged in writing that particular operations of the Debtors are in violation of environmental laws and proceedings that have resulted from alleged violations of environmental laws.

Statements Part 13, Question 26 – Books, Records and Financial Statements. Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, Foresight and its subsidiaries have filed with the SEC reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information. Because the SEC filings are of public record, Foresight does not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or Foresight. In addition, Foresight provides certain parties, such as banks, auditors, potential investors, vendors and financial advisors financial statements that may not be part of a public filing. Foresight does not maintain complete lists to track such disclosures. As such, Foresight has not provided lists of these parties in response to Statements Part 13, Question 26c and Question 26d.

Statements Part 13, Question 27 – Inventories. The Debtors' policy concerning the counts of parts and supplies inventory does not include regular periodic counts of the entire inventory, and the last complete count of the entire inventory occurred in December 2019. Instead, cycle counts of portions of inventory are continuously taken. Thus, information concerning parts and supplies inventory counts are not included in the response to Statements Part 13, Question 27.

Statements Part 13, Question 30 – Payments, Distributions or Withdrawals to Insiders. The response to Statements Part 13, Question 30 incorporates by reference items listed in the response to Statements Part 2, Question 4.
